

DJ PLUS COORDINATION WEDDING PACKAGES

Have you decided to hire a wedding DJ and would also like a hand keeping the day's events running smoothly, but do not need a full-service wedding planning package? These customized packages will **save you money** by allowing you to combine DJ and wedding planning services. For one affordable price, you can have a professional DJ and a Certified Wedding Planner who will assist you in making the finishing touches of your day "stress free"!

BASIC DJ PLUS COORDINATION WEDDING PACKAGE
