Also known as “Day or Month Of” Coordination

This package is for couples who have already secured their venue and all vendors, and have established their theme and décor, but could still use a helping hand with the final stages of the planning process. We will assist with organizational details and be present at the rehearsal and on the wedding day to ensure that your vision becomes a reality. *Must be booked in advance of the wedding.*

PACKAGE INCLUDES...

Pre-Wedding Day Planning Assistance

Before the big day, we will be your go-to wedding expert via **unlimited email communication** and **up to 3 client/planner meetings** to help your planning process run smoothly. We will handle important details like putting together a checklist, **creating a detailed wedding day timeline**, contacting your vendors, confirming arrangements and more. We will even give you etiquette advice as needed to help you avoid common faux pas!

Wedding Rehearsal Coordination

The rehearsal is where the real excitement begins! We'll be on the scene to coordinate the ceremony rehearsal so that you can focus on the important roles you need to play as the bride and groom. This is also the time for us to collect any critical décor items, and to ensure that all of your VIPs are familiar with the wedding day schedule.

The planning stages are complete, and it's time to tie the knot! You can relax and enjoy each special moment, knowing that the coordination of the day's events is in our professional hands.
